

Oregon Century Farm & Ranch Program

A program of the Oregon Agricultural Education Foundation

SESQUICENTENNIAL AWARD 150 YEARS

Application Guidelines

Background

The Century Farm & Ranch Program is a nonprofit, volunteer-led program to honor farm and ranch families with century-long connections to the land and recognize Oregon's rich agricultural heritage. The program is administered through the Oregon Farm Bureau Foundation for Education and is partially funded through a partnership with the Oregon Farm Bureau, the State Historic Preservation Office, Oregon State University Libraries' Special Collections & Archives Research Center, and community members throughout Oregon.

In 2008, a Sesquicentennial Award recognizing families who have sustained their family-ownership of an Oregon farm or ranch for 150 years or more was introduced. This new award is an outgrowth of the Oregon Century Farm & Ranch Program that began in 1958 on the eve of the Oregon statehood centennial.

All applications are added to the OSU Libraries' Special Collections & Archives Research Center. They provide valuable information about settlement patterns, livestock and crop choices, building design and family history. Successful applicants receive a distinctive certificate, with acknowledgement by the governor of Oregon and the director of the Oregon Department of Agriculture and metal roadside sign with special Sesquicentennial nameplate identifying their Sesquicentennial Farm or Ranch at a special awards ceremony at the Oregon State Fair.

Qualifications

1. Only the legal owner(s) of the property may apply for the Sesquicentennial Farm or Ranch status.
2. The farm or ranch must have been operated continuously in the same family for 150 years or more. A farm or ranch settled any time 150 years ago or earlier will be eligible if it meets other requirements.
3. The farm or ranch must have a gross income from farming or ranching activities of not less than \$1,000 per year for three out of the five years immediately preceding the application.
4. If living off the farm or ranch, or if the farm or ranch has ever been rented or leased, the owning family must actively manage and direct the farming or ranching activity on the land. Contact 503-400-7884 or cfr@oregonfb.org if you have any questions about eligibility.
5. The line of ownership from the original settler or buyer may be through children, siblings, or nephews and nieces. Adopted children will be recognized equally with other descendants.
6. Applications must be submitted on forms provided by the Century Farm and Ranch Program with all questions completed. Applicants must submit a narrative of family history, two to three pages in length that adds to the information included in the application. Copies of historical and current photographs of the farm or ranch and family are encouraged. All information, including photos, will be deposited in the OSU Libraries' – Special Collections & Archives Research Center for future reference. Please do not send in original photos and/or documents, as all items sent with your application are **NOT** returned. Please send in quality copies of documents that support your application. Applications should include 4-5 digital photos from your application and sent to cfr@oregonfb.org by **May 1**.
7. All applications must include verification of continuous ownership for 150 years. Acceptable forms of proof include a document (high quality photocopy) showing date of earliest ownership. This may be provided through a Donation Land Claim, Deed of Sale, or Homestead Certificate. Other records, subject to review, include a

family Bible, diary entry, or correspondence. In the interest of obtaining the fullest possible historical record we ask sesquicentennial applicants whose farm has attained century status to review the materials submitted for 100-year recognition for accuracy and completeness. The Century Farm and Ranch program will provide you copies of that application. Please note that sufficient and clear documentation from the beginning of the farm or ranch must be provided for sesquicentennial recognition, not just documentation from century status forward.

8. Applications must be signed and certified by a Notary Public.

9. Deadline for returning applications is **May 1** of the current year and must be postmarked by midnight.
